BUREAU OF SOILS.

MILTON WHITNEY, *Chief of Bureau.*

SERVICE AND REGULATORY ANNOUNCEMENTS.

ORDER CONCERNING BORAX IN MIXED FERTILIZER.

Pursuant to the authority conferred on me by the proclamation and regulations of the President issued on February 25, 1918, relating to persons licensed to handle or deal in fertilizers or fertilizer ingredients under the Control Act approved August 10, 1917, it is hereby ordered:

That hereafter no licensee handling or dealing in fertilizers or fertilizer ingredients shall sell for application to the soil any mixed fertilizer which contains more than one-tenth of 1 per cent of boron expressed as anhydrous borax unless the container thereof be marked, tagged, branded, or labeled so as to show plainly and conspicuously as part of the analysis the percentage of borax present.

Signed in the District of Columbia this 6th day of December, 1919.

D. F. HOUSTON,
Secretary of Agriculture.

SERVICE AND REGULATORY ANNOUNCEMENT

ORDER CONCERNING FERTILIZER IN MEXICO

The United States Department of Agriculture, in accordance with the provisions of the Act of October 3, 1917, relating to the regulation of the fertilizer industry, and in order to carry out the provisions of the Act, hereby announces the following regulations:

That hereafter no person shall engage in the business of manufacturing, distributing, or selling any fertilizer in Mexico, unless he shall first obtain a license from the United States Department of Agriculture, and shall comply with the conditions of such license.

That hereafter no person shall engage in the business of manufacturing, distributing, or selling any fertilizer in Mexico, unless he shall first obtain a license from the United States Department of Agriculture, and shall comply with the conditions of such license.

That hereafter no person shall engage in the business of manufacturing, distributing, or selling any fertilizer in Mexico, unless he shall first obtain a license from the United States Department of Agriculture, and shall comply with the conditions of such license.

D. F. Houston
Secretary of Agriculture
